

From Garden to Table and from Table to Garden

Alexandra Cachia –Why Not? NGO

Why Not?
Make Change Happen!

Vision

- Living in a world where we are more conscious and aware about our interactions with ourselves, others and nature.
- Feeling empowered to follow our passions and live healthier and happier lives.
- Inspiring each other to create a positive impact on the society and the environment of the world we live in.

Mission

Create platforms for learning, personal growth, self-expression and positivity, thereby creating spaces that allow us to deepen our connection with nature, ourselves and others.

Permaculture & Sustainability

- Education & Learning
- Workshops & Events

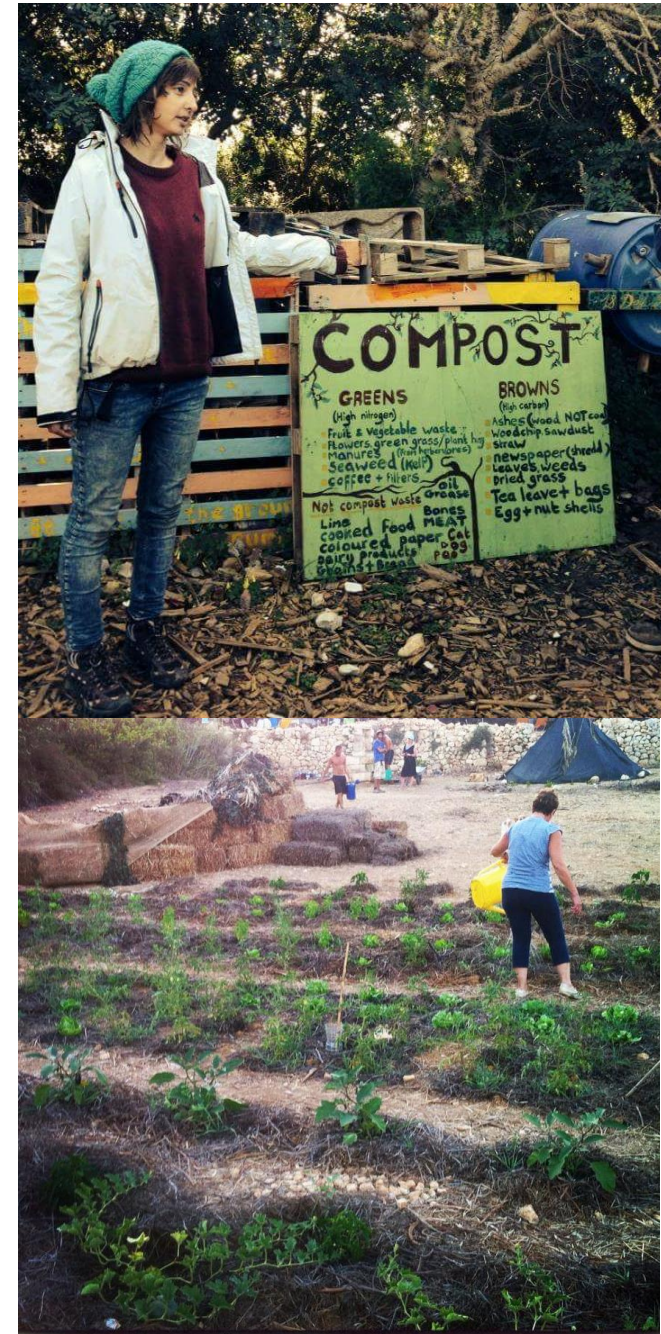

- The Why Not? Creativity Vortex (Permaculture Research Farm)

The Why Not? Creativity Vortex Permaculture Research Farm
