

Bilyana Spasova

Project Manager

At ACR+

Bilyana Spasova is a Project Manager at ACR+, specialising in economic instruments and Extended Producer Responsibility (EPR). She is currently in charge two projects (the **EPR Club** and **WINPOL**) and provides technical support for two additional projects (**URBANREC** and **COLLECTORS**). She is also working on the preparation of technical publications for ACR+ members and studies for the European Institutions.

Background

Bilyana holds a Master's degree in Environmental Management and Policy from Lund University and a Master's degree in European Economic Studies from Université Libre de Bruxelles. She has previous experience working at the European Commission in the field of (environmental) taxation.

Languages: Bulgarian, English, French, German, Russian, Serbian, Spanish
