

Giulia Marrazzo

Project Officer

At ACR+

Giulia Marrazzo is a Project Officer at ACR+, mainly involved in the implementation and daily management of the European Week for Waste Reduction (**EWWR**) project. Giulia's tasks also include support to the EU-funded projects for communication activities (**CYCLE**, **BLUEISLANDS**, and **LIFE SMART Waste**).

Background

Giulia holds a Master's degree in Economics, Politics and International Relations. She graduated with a thesis focused on the contribution of circular economy to sustainable food systems, highlighting the role of food policies. She previously worked as a cultural mediator and translator in Italy.

Languages: Italian, English, Chinese, German
