# About Zero Waste Scotland

We exist to create a society where resources are valued and nothing is wasted.

Our goal is to help Scotland realise the economic, environmental and social benefits of making best use of the world's limited natural resources.

**Re-use and  
repair**

# The Circular Economy Skills & Education Hub: Our Vision

A **'guiding light'** providing focus and direction on skills for the Circular Economy & Resource Management for the whole stakeholder community

A **strategic partnership** approach to promote Scotland as a 'trailblazer' in this field, based on 'One Scotland' ethos and coordinated collaboration

The Circular  
Economy Skills Hub

**Leadership on standards** for Circular Economy teaching and training, ensuring quality and consistency

Facilitating and signposting to opportunities for **effective learning from one another**

**Thank you.**
