Whole School Approach to Sustainability  
Wals, Fernandes & Swart 2016

# What, and how?

→ Transition is *sparked* in the phases, based on [EFQM](#):

Activity-oriented -> Process-oriented -> System-oriented

→ Transition is embedded in regional ambition

→ Transition starts by celebrating what is already going on within schools

# So what?

- What conclusions have you drawn from these practices?
- [www.sparkthemovement.nl](http://www.sparkthemovement.nl) – site is running since January 2019
- What do you think are the next steps that need to be taken?
- Sharing our ideas and practices!
