Welcome

Anita Poort
Innovation procurement policy officer
DG GROW Public Procurement
Public Buyers Community Platform

https://public-buyers-community.ec.europa.eu/
Mission Public Buyers Community

**Connect**: Empower public buyers and those working in public procurement to join together and connect with the European Commission.

**Inform**: Foster the exchange of cutting-edge market intelligence and know-how on public procurement.

**Collaborate**: Encourage joint action and systematic collaboration in public procurement.

**Focus**: Support the use of public procurement as a gateway to digital, green and social transition pathways.
