- Q&A
- Conclusions

Operational Circular Economy criteria

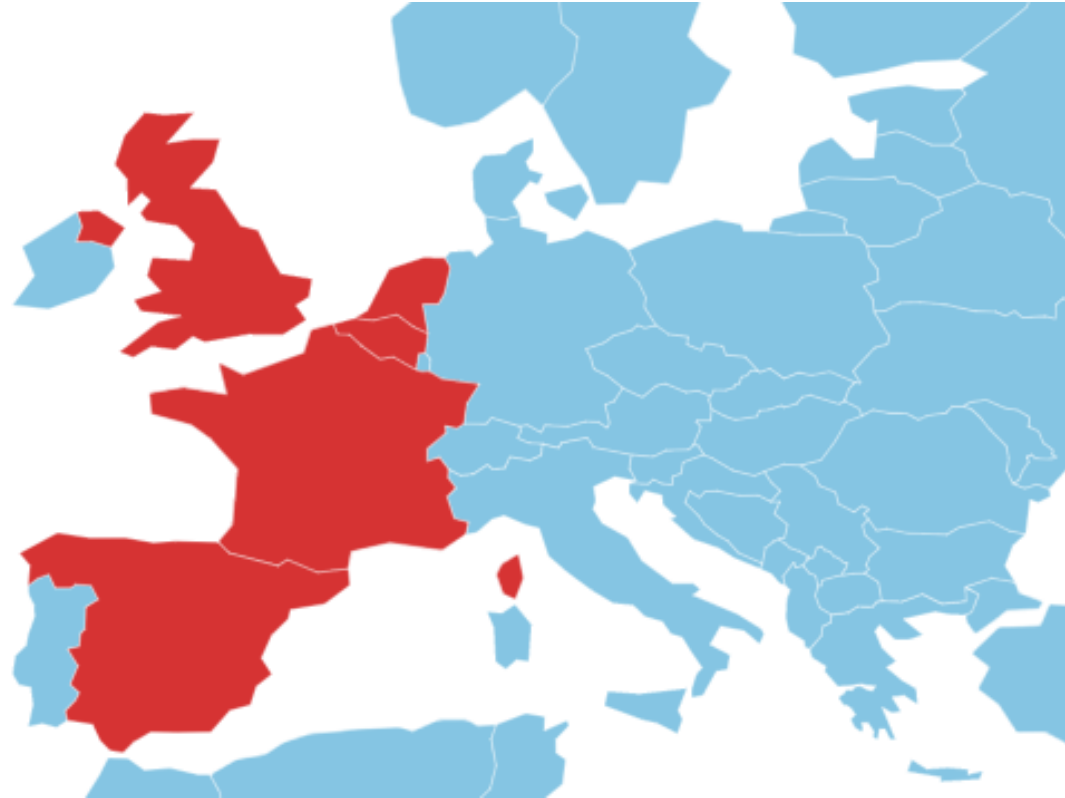

Difficulty of bringing all enterprises and practices into the same box.

The circular economy is de facto plural and covers multiple facets

Benchmark of

Basque Country
Brussels-Capital Region
Catalonia
Flanders
Haarlemmermeer

Hauts-de-France
Ile-de-France
Rotterdam
Scotland
Wallonia

Examples of Selection criteria

Operational Circular Economy criteria

No operational criteria.

But, specific sectors and/or general criteria.

Analysis by experts + decision of financing or not by a jury or by the minister dealing with CE.

1. User-friendly and free Circularity Check

2. Multi-criteria grid and threshold for Circular SMEs

3. Grants to promote circular economy projects
